# From the Desk

The knowledge about use of Ayurveda for treating the patients is known since the ancient times. However today, world over, Ayurveda has made an important impact to treat the acute and chronic cases of many diseases, wherein the allopathic drugs may not find a cure.

There is a common myth that Ayurveda, as a medicine can be used only in chronic diseases, and does not carry prescription to treat the emergency cases, with Modern Medicine the only answer. However the truth is Ayurved Samhitas and the texts explains how Emergency Management of the cases can be done by use of Ayurveda as medicine.

In view of the above it gives us great pleasure to invite you for the National Conference on Atyaik Chikitsa (Emergency Management) in Ayurveda being hosted by Pravara Medical Trust's Ayurved College & Shri Eknath Ayurved Rugnalaya in association with Maharashtra University of Health Sciences (MUHS), Nashik, from 14th – 15th March 2020.

This national seminar, being attended by renowned academicians and teachers, shall provide an opportunity to deliberate on various treatment modalities available in Ayurveda, to treat the emergency cases coming to the Ayurveda hospital, using modern technologies in scientific ways.

Pravara Medical Trust's Ayurved College & Shri Eknath Ayurved Rugnalaya, situated in Shevgaon, a remote taluka of Maharashtra State, has dedicated itself to serve the society for the last 20 years, through use of India's ancient medicine: Ayurveda.

Pravara Medical Trust's Ayurved College & Shri Eknath Ayurved Rugnalaya, runs academic programmes approved by CCIM, AYUSH affiliated to MUHS and Govt of Maharashtra. The institute has intake capacity of 100 undergraduate and 50 post – graduate seats in various Ayurveda specialties. Doctoral programmes (PhD) are available in 8 specialties of Ayurved.

Adequate infrastructre facilities are available at the institution to conduct various academic and research activities. The Ayurved College is supported by Shri Eknath Ayurved Rugnalaya which caters to the health services of the nearby villages. Routine and specialised dignostic procedures including advanced Kayachikitsa, Shalyatantra and Panchkarma are also available at the hospital. Our institute has established collaboration with foreign universities to undertake joint collaborative research and academic activities.

On behalf of the managemnt and faculty of Pravara Medical Trust's Ayurved College & Shri Eknath Ayurved Rugnalaya, we take this opportunity to welcome you all for this national conference and make it a grand success.
